**PETITIONING THE COURT**

---

**To issue a summons.**

The probation officer believes that the offender has violated the following conditions of supervision:

Violation Number      Nature of Noncompliance

- 1      **Special Condition # 21:** You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

**Supporting Evidence:** Mr. Robinson tested positive for marijuana on January 23, 2014.

Mr. Robinson had previously tested positive for the use of marijuana on December 6, 2013. Mr. Robinson was advised as long as the tetrahydrocannabinol (THCA), the primary metabolite for marijuana level, was reduced, future positive tests would not be submitted as a violation. However, according to the interpretations from Alere Toxicology Services, it was their opinion the January 23, 2014, test, far exceeded the level of THCA detections of where it should be, had the defendant discontinued the use of marijuana.

- 2      **Special Condition # 21:** You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

- 3      **Special Condition # 20:** You shall undergo a substance abuse evaluation and, if indicated by a licensed/certified treatment provider, enter into and successfully complete an approved substance abuse treatment program, which could include inpatient treatment and aftercare. You shall contribute to the cost of treatment according to your ability to pay. You shall allow full reciprocal disclosure between the supervising officer and treatment provider.

**Supporting Evidence:** Mr. Robinson failed to attend his drug and alcohol group session at Merit Resource Services on March 31, 2014.

- 4      **Mandatory Condition # 6:** If this judgment imposes a fine or a restitution obligation, it shall be a condition of supervised release that the defendant pay any such fine or restitution that remains unpaid at the commencement of the term of supervised release in accordance with the Schedule of Payments set forth in the Criminal Monetary Penalties sheet of this judgment.
